

Technical SEO Analyst

We are looking for an SEO Analyst with:

- 1+ years online marketing experience with SEO and CRO
- Understanding of the most important success factors in SEO
- Ambition to become excellent in SEO and learn how to connect SEO with content writing, product development, conversion rate optimization, and technical website optimization
- Desire to do more than just agency work - connect tactical SEO work to results and see the fruit of our labor come to life = drive meaningful changes for our clients
- Passion to collaborate in teams - enjoys working across several websites, clients, and cultures
- Ability to clearly and effectively articulate thoughts and points
- Curiosity to learn something new every day
- Excellent analytical skills - turn data into actions
- Prioritization Skills - attention to detail and the ability to effectively multi-task
- High levels of integrity, autonomy, and self-motivation

Key Responsibilities

Work with industry-leading SEO and CRO experts at Improve; play an active role in the team and help drive results that matter

- Perform comprehensive keyword research, analysis, and selection
- Map Search/User intent to Content/Articles: utilize the power of search engines and Improve data in order to identify content opportunities for our client; work with editorial teams and help them create engaging content
- Utilize your analytical, online marketing, and presentational skills; provide data insights that enable our clients to grow rankings, traffic, and conversions and ultimately expand and scale their business
- Help create presentations that best communicate data insights and strategies to clients on all levels from CEO to Content Specialist; keep clients engaged and informed by communicating progress, performance, and next steps
- Perform analysis and help prepare presentations for Improve SEO Workshops together with the team; ensure all participants walk away with tangible results and actionable follow-ups
- Ensure high-quality standards as well as timely delivery of all deliverables

- Work with an international, multicultural team around the world and ensure smooth collaboration and leadership on a variety of projects and industries from Fortune 50 companies to startups

Requirements

- BA or BS degree
- Digital Marketing / SEO experience
- Improve works with industry leaders who know the growth space in and out - first class analytical skills are required in order to master growth
- Project and time management skills; ability to juggle multiple responsibilities in a fast-paced, results-oriented environment.
- Native English required; additional language preferred
- A “can-do” attitude and commitment to meeting and exceeding client expectations
- Dynamic and engaging personality with a hands-on mentality and a passion for leading clients to success

Location: New York Metro Area (highly preferred); remote work is available

Benefits

Improve is a young, ever growing SEO company where nothing's carved in stone. Together with the Co-founders, Head of Consulting, Head of Sales and our Account Managers, you will guide Improve's next direction.
